MULTISENSORY ACTIVITY PLAN

Name and surname: Magdalena Szwec  
Date: 14.10.2014  
Class: 2nd grade, primary school  
Age of learners: 8-year-olds  
Level: elementary  
Number of learners: up to 15 learners  
Activity name: What's in my bag?

Aims of the activity:  
- to stimulate as many senses as possible  
- to encourage being imaginative  
- to motivate students to speak  
- to use the language in a relevant context

Materials used: a bag, fruit (apple, pear, banana, orange, strawberry)

Anticipated problems and possible solutions: some students may be allergic to fruit, we need to get a written approval of parents before we serve any kind of food to children (or we can eliminate this part of activity if preferred)
